

A real appointment, booked **entirely by voice.**

Here's exactly what happened when a patient called to book a follow-up —
swipe through to see it confirmed →

Hi, I need to schedule a follow-up visit with Dr. Hossain, sometime in the next couple of weeks.

Dr. Hossain has an opening Thursday, September 17th at 10:30 AM
— want me to hold it?

STEP 1 — CONFIRMATION EMAIL

Sent automatically, the instant it's booked.

No staff involved — the assistant sends this the moment the caller confirms the time.
